DRIVING BOOKS HOME

- Oswego Bookmobile provides FREE books & activities to children in the Oswego area.
- Children visit the Bookmobile at any of 14 neighborhood stops during the seven-week summer program.
- A professional staff of literacy specialists ensures children have access to the mentors they need to succeed.
- The Bookmobile also appears at family-oriented community events to distribute FREE books to children.
- Volunteers spend an average of 500 hours preparing and delivering the seven week summer program, as well as additional appearances.

OUR MISSION is empowering children to be readers!

Our vision is that

- Every child in our community will have access to books at his or her independent reading level.
- Every child in our community will have the opportunity to own books.
- All programs and materials are free.
- Oswego Bookmobile is open to all children in our community but specifically targets our at-risk population.
- Oswego Bookmobile provides opportunities for children to engage in literacy activities during summer months. Engaging in literacy activities over the summer helps decrease summer reading regression.
- Oswego Bookmobile is designed to be a free, non-lending mobile library for children through grade 12.
- Each time children visit Oswego Bookmobile, they select a free book and a snack.
- In cooperation with OCSD, Oswego Bookmobile staff tracks key information to document both quantitative and qualitative outcomes.
